We advise teams to arrive on **friday evening**, especially for teams who will start early on saturday morning.

The tournament will begin on **saturday morning at 08.00 AM**. For the lunch, the teams can take a snatch, alternately according to their schedule of matches, in the **meal zone**. They can also discover the various animations of our **eco-friendly village** : the Uhabia village. The last game of the day is planned for the evening.

At the end of their last game, the teams can take a shower on the spot or go quickly in their respective accomodations. **Food trucks** will be present to offer you something to eat on **saturday evening**.

The **festive part** will start in the evening : many animations will rhythmize your evening between aperitif, musical meal and DJ evening.
